شركة أنفال المتحدة التجارية

لتجارة الحديد التجاري بالجملة والتجزئة

انفال المتحدة

ANFAL UNITED

“Forging Excellence, Building Futures.”

مرحبا بكم في شركة أنفال المتحدة لتجارة الحديد

من نحن:

شركة أنفال المتحدة التجارية شركة سعودية رائدة في تجارة الحديد التجاري والصناعي تعتمد على منتجات من شركات محلية وعربية وكذلك دولية لتلبي احتياجات عملائها الكرام باختيار منتجات واصناف ذات جودة عالية من حيث المقاس والسماكة مع الالتزام الثابت بالتميز والابتكار لذلك إنشأت الشركة كإسم موثوق به في هذا المجال

المنتجات:

مجموعة واسعة متنوعة من منتجات الفولاذ والمعادن عالية الجودة لتلبية احتياجات العملاء للبناء الحديث والمشاريع الصناعية تخضع منتجاتنا لفحوصات صارمة مما يضمن استيفائها لأعلى معايير الجودة. الصاج اسود مجلفن مبزر مزيت, ألواح مدهون, زوايا, المواسير, المبسط, مبروم, التيوبات الجسور

الأهداف:

تركيزنا على رضاكم هو أولويتنا نقدم خدمة معالجة احتياجات عملائنا بعناية واحترافية.

رؤيتنا:

من البناء الى الصناعة نكون مصدرك الذي يمكن الاعتماد عليه للمواد الي تبني المستقبل.

Material Description

H BEAMS

جسور

Introducing our H Beam – an essential component for crafting robust and resilient structures. With its superior load-bearing capacity and versatility.

Size	
-HEA	All Size Available
-H-JIS	All Size Available
-HEB	All Size Available

Choose Anfal United Trading Company's H Beam for its unwavering quality, exceptional performance, and commitment to bolstering your creations.

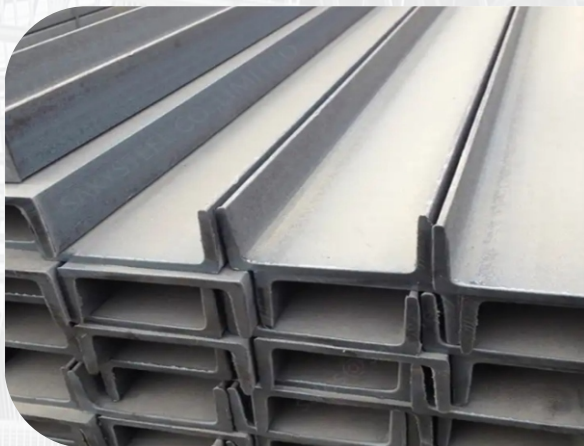

I Beam

جسور

– a fundamental element in structural engineering that delivers unparalleled support and adaptability. With a comprehensive range of sizes available.

I Beam Sizes Available:

-IPE	All Size Available
-IPEAA	All Size Available
-JIS	All Size Available

U Channel

يو شنل

– an indispensable element in modern construction and engineering. With its distinct U-shaped profile, the UPE Channel combines aesthetic appeal with structural integrity, making it an ideal choice for a variety of applications.

Size

-UPE	All Size Available
-UPN	All Size Available

MS TUBES

تيوب أسود

HR Tubes: Solid Foundation for Durability
Introducing our HR Tubes – the backbone of reliable structures. Hot-rolled with precision and designed for durability, these tubes are your go-to solution for projects that demand strength and longevity.

Galvanized Pipes مواسير مجلفن

Galvanized Pipes: Corrosion-Resistant Strength

Introducing our Galvanized Pipes – a testament to durability and longevity. With a protective zinc coating and exceptional strength, these pipes offer a reliable solution for various plumbing, construction, and industrial applications.

Size.

-All Size With All Thickness Available

MS Black Pipes مواسير أسود

Our HR Tubes are valued for their strength, durability, and versatility in various applications across industries. They provide a solid foundation for structures and machinery, contributing to the integrity and functionality of numerous projects.

Size.

-All Size With All Thickness Available

Equal Angle زوايا

Discover our Equal Angle – a versatile and essential component for constructing sturdy frameworks with precision. With equal side lengths and exceptional strength, this angle profile offers stability and symmetry in a wide range of applications.

Size.

-All Size With All Thickness Available

Origin,

-KSA, Turkey

Galvanized Coils كويل مجلفن

GI Coil: Protecting Brilliance, Ensuring Durability

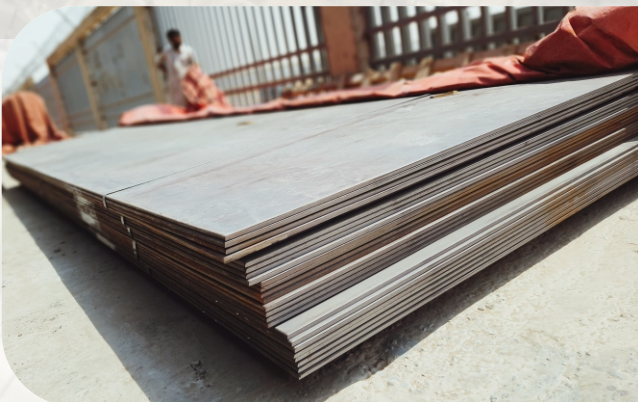

Introducing our Galvanized Coil, a pinnacle of strength and corrosion resistance. Expertly coated with a layer of zinc, our GI Coil not only shines with elegance but stands as a steadfast guardian against rust and the elements.

HR Black Sheet صاج أسود

HR Black Plate: Solid Foundation for Industrial Excellence

Introducing our HR Black Plate – a foundation of strength and reliability for a wide array of industrial applications. Crafted through the hot rolling process, this plate stands as a testament to enduring performance and robust construction.

Welcome to Anfal United Trading Company.

Your Premier Destination for Quality Steel and Metal Products

At ANFAL UNITED TRADING COMPANY, we are your trusted destination for a comprehensive range of high-quality metal and iron products. As a distinguished distributor and trader, we play a pivotal role in connecting manufacturers and suppliers with the market, bringing you a diverse selection of materials to meet your project needs.

About Us:

ANFAL UNITED TRADING COMPANY is not just a company; we are the bridge that links top-tier manufacturers with the discerning market. With a proven track record of excellence and reliability, we specialize in sourcing, stocking, and distributing an extensive array of metal and iron products that cater to a wide spectrum of industries.

Our Product Range:

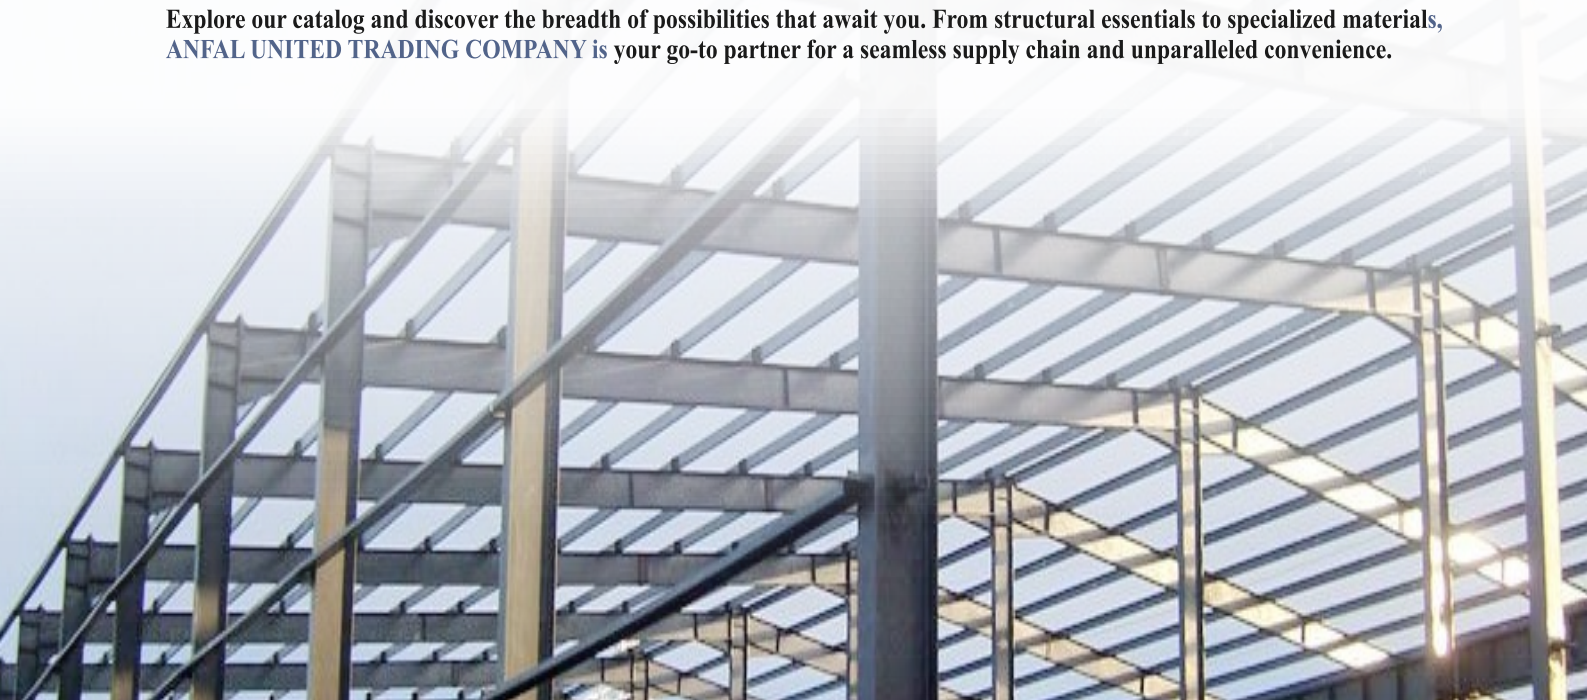

Explore an extensive and diverse range of high-quality steel and metal products tailored to meet the demands of modern construction and industrial projects:

- **H-Beam:** Our H beams offer exceptional load-bearing capacity, making them a vital component in structural designs.
- **I-Beam:** Versatile and sturdy, our I beams are essential for supporting various construction and engineering applications.
- **Equal Angles:** Perfect for creating balanced structural frameworks, our equal angles are precision-engineered for stability.
- **U-Channels:** These versatile channels serve as a solid foundation for a wide range of applications offering strength and stability.
- **HR-Pipe:** Our hot-rolled pipes are manufactured to exacting standards, ensuring durability in various applications.
- **Gi-Pipe:** Our galvanized pipes offer corrosion resistance, making them ideal for plumbing infrastructure, & industrial projects.
- **Gi-Sheet:** Our galvanized sheets provide reliable protection against the elements, suitable for roofing, cladding, and fabrication.
- **Gi-Coil:** Our galvanized coils are designed to meet the highest industry standards, ensuring consistent quality and performance.
- **HR-Tubes:** Our hot-rolled tubes find application in structural and mechanical projects offering reliability and strength.
- **HR-Plates:** Our hot-rolled plates are engineered for durability and strength, suitable for a wide range of industrial applications.
- **Corrugated Zinc:** These durable corrugated zinc sheets are used for roofing & cladding providing weather resistance & longevity.

What Sets Us Apart:

- ****Unrivaled Network:**** Through our extensive network of suppliers and manufacturers, we curate a comprehensive inventory that encompasses an array of sizes, grades, and specifications.
- ****Quality Assurance:**** We meticulously select products that meet stringent quality standards, ensuring that each item you receive is of the highest caliber.
- ****Expertise and Knowledge:**** Our team of experts brings years of industry experience to the table, providing you with tailored solutions and valuable insights.
- ****Prompt Delivery:**** We understand the value of time, and our efficient logistics ensure that your orders are delivered promptly, keeping your projects on track.
- ****Customer-Centric Approach:**** Your satisfaction is our priority. We go the extra mile to understand your requirements and provide personalized service that exceeds your expectations.

Explore our catalog and discover the breadth of possibilities that await you. From structural essentials to specialized materials, ANFAL UNITED TRADING COMPANY is your go-to partner for a seamless supply chain and unparalleled convenience.
